YOUR CHAL-LENGE STARTS HERE.

FROM FIRST CONVERSATIONS
TO FIRST DAY JOURNEY.

WHAT TO EXPECT

Becoming part of Aventum Group should feel clear, fair and worth your time. This guide will walk you through our recruitment process, what happens, when it happens and what you can expect at each stage.

We aim to deliver a first class candidate experience for everyone, regardless of the outcome, because how we do things matters just as much as what we do.

Our mission is to be the world's most inspiring insurance group by delivering the unexpected and creating meaningful impact. That mindset starts here, with a recruitment process built on transparency, respect and momentum.

Is this the right challenge for you?

Following an initial conversation, you'll receive:

- A detailed job description
- Additional information to support the role
- Our benefits brochure

If you like what you see, we'll ask you to share details of remuneration and notice period.

We will then review your application and aim to come back to you within one week. Then you'll receive either:

- An invitation to interview, or
- An update to let you know we won't be progressing on this occasion

Either way, you will hear from us.

"

The greatest return on an investment is in the time we spend helping others to succeed and grow.

THE INTERVIEW STAGE

Our interview process is designed to be purposeful and human, not drawn out and performative. Typically, you can expect:

- Two interview stages
- Occasionally, a third stage, case study or technical exercise, depending on the role

Once a date and time are agreed, you'll receive an Outlook invitation with everything you need to prepare.

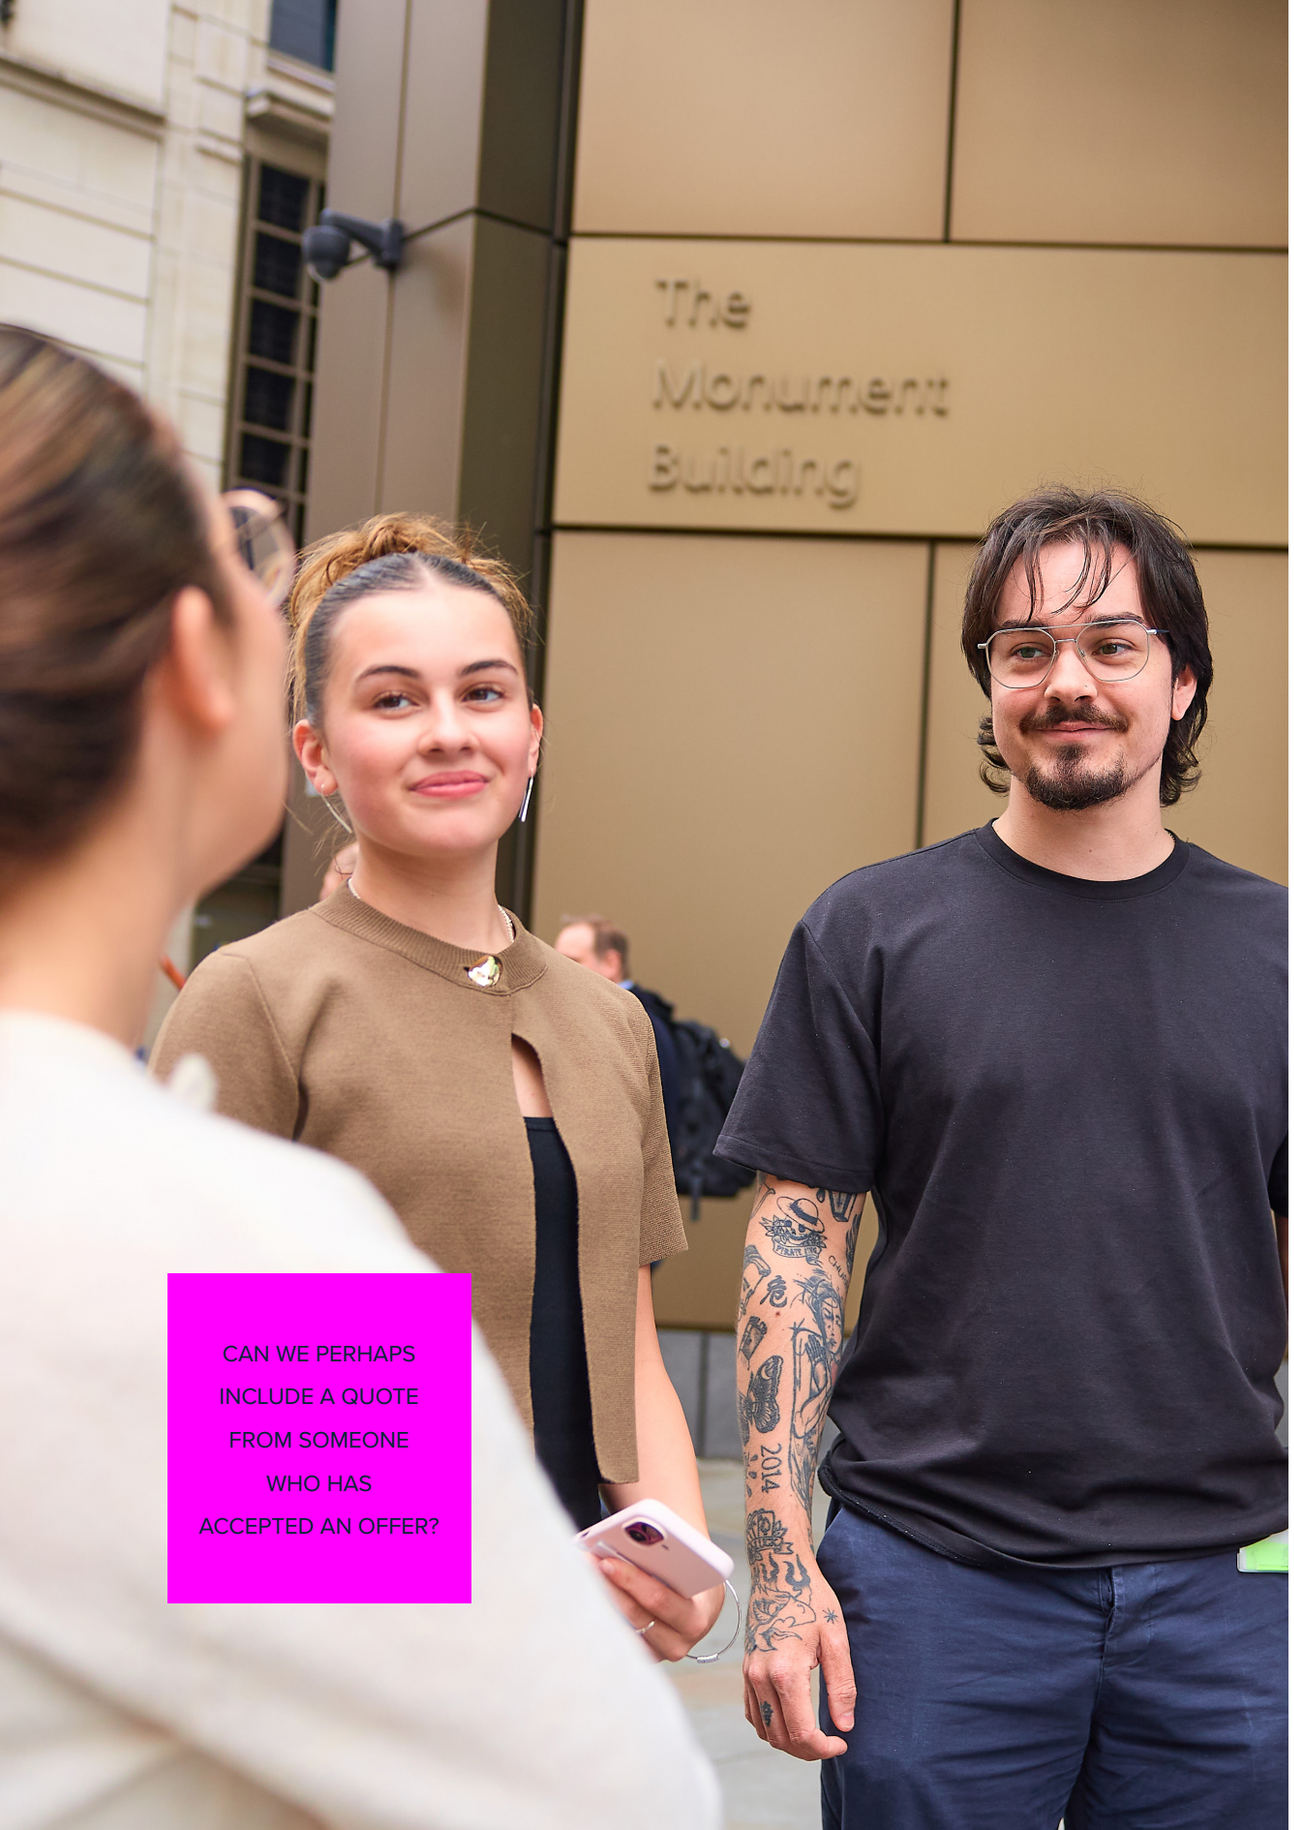

If your application is not progressed following your first interview, you will receive a clear, written update. After a second interview, a member of our Talent team will contact you directly to talk through your feedback.

From start to finish, we aim for the whole process to take no longer than three weeks.

ARE YOU NEXT?

CAN WE PERHAPS INCLUDE A QUOTE FROM SOMEONE WHO HAS ACCEPTED AN OFFER?

THE OFFER

If successful, a member of our Talent Attraction team will call you to talk through the offer, including:

- Salary
- Benefits

Once verbally accepted, you will need to provide:

- Evidence of your Right to Work in the UK
- Confirmation of your home address

At this point, we will pass your details to a dedicated HR People Partner, who will be your main point of contact from here on.

You will then receive:

- A read-only copy of our offer letter and contract
- Time to review, ask questions and get comfortable with the details

Once you are happy with the offer letter and contract, HR will email you a copy to sign electronically.
