AVENTUM

OWN YOUR SHARE OF SUCCESS

Aventum - Company Share Option Plan (CSOP)

Welcome TO CSOP

At Aventum, growth isn't built by a few - it's created by all of us. That's why we want everyone to have the chance to share in the future success of the business.

The Company Share Option Plan (CSOP) gives every eligible Aventum employee a stake in the company. When Aventum grows, so can the value of your share options.

THINK OF IT AS AVENTUM SAYING:

“WHEN WE WIN, YOU WIN TOO.”

What is CSOP?

A CSOP is a scheme approved by HMRC that allows employees to be granted share options in Aventum at a **heavily discounted price.**

IN SIMPLE TERMS:

YOU’RE GRANTED OPTIONS

The right to acquire Aventum shares at a significant discount.

THEY UNLOCK OVER TIME

Once you’ve been here three years, you’ll have your full allocation.

YOU DON’T PAY UPFRONT

The discounted exercise cost is just deducted before you get your payout.

NO DOWNSIDE

Even if Aventum didn’t grow, you wouldn’t owe anything.

THE UPSIDE

If Aventum grows, so does the potential value of your options.

Why has Aventum **INTRODUCED CSOP?**

WE BELIEVE OWNERSHIP SHOULDN'T BE LIMITED TO A FEW AT THE TOP.

AVENTUM HAS GROWN BY AROUND **10,000%** **OVER THE PAST DECADE** - THANKS TO OUR PEOPLE.

CSOP ENSURES THAT EVERYONE HAS THE CHANCE TO SHARE IN THE FUTURE SUCCESS.

How does **IT WORK?**

You're granted share options worth up to **two times your annual salary,** capped at **£300,000.**

They are offered at a **significant discount,** meaning you start with built-in value.

Aventum's value is assessed **independently every year.** As it rises (or falls), so does the potential value of your options.

The MATHS....

VALUE OF YOUR OPTIONS

=

CURRENT MARKET VALUE

–

YOUR DISCOUNTED EXERCISE PRICE

When do they UNLOCK?

Options are awarded gradually to reward long-term commitment:

IN SEPT/OCT FOLLOWING COMPLETION OF YOUR PROBATION PERIOD YOU GAIN:

40% OF YOUR ALLOCATION

Each year afterwards you gain:

New starters who have successfully passed probation will be given the option to participate at the next annual valuation which takes place in September of each year.

If you had already been with Aventum for three years when the scheme launched (September 2024), you will have received your full allocation straight away.

To maintain HMRC tax advantages, options must be held for at least **three years** before you can exercise them. This means that for those share options, any gain is taxed under **Capital Gains Tax (currently 24%),** rather than Income Tax or National Insurance.

* All grants need to vest for 3 years as part of HMRC's requirements.

When do you see THE BENEFIT?

You can't sell your share options on the open market. They only turn into a payout if Aventum **sells to, or takes on, outside investors.**

At that point you'll receive a payment based on the value of your vested options.

WHAT'S THE CATCH?

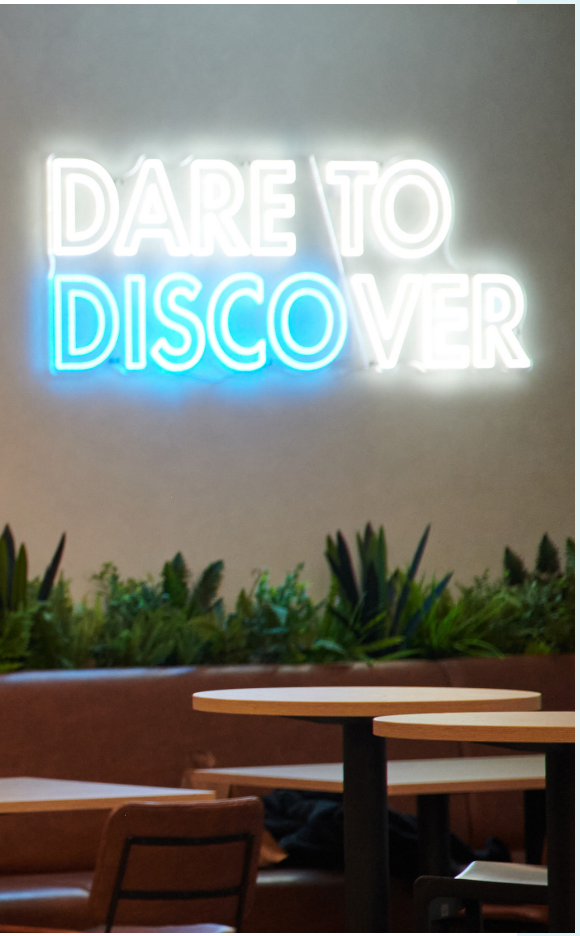

It's natural to wonder. Here's the reality:

- You don't pay anything upfront.
- You can't lose money.
- It only has value if Aventum grows.
- It's a **long-term reward,** not instant cash.

THE ONLY "CATCH" IS YOU - YOUR EFFORT AND COMMITMENT TO AVENTUM'S SUCCESS.

Want to KNOW MORE?

This summary is designed to give you a high level view of this fantastic initiative. For a deeper dive into CSOP including practical illustrations, a glossary of terms and a list of FAQ's, take some time to read the full CSOP guide which is available on the BASE CSOP page.

FAQS

DO I NEED TO PAY ANYTHING UPFRONT?

No, absolutely nothing.

CAN I LOSE MONEY?

No. If the value doesn't increase, there's simply no gain.

WHAT IF I LEAVE?

Your share options will be put back in the "pot", ready to share out to current and new employees in the next year's award. You won't keep any share options on leaving.

WHAT IF I RETIRE?

We will pay you the market value for your options on retirement (subject to appropriate tax payments).

WHAT IF THE COMPANY NEVER SELLS OR TAKES ON INVESTORS?

Nothing can be ruled out. It might happen but the share options are yours for 10 years after being issued to you.

WHAT IF WE SELL PART OF THE COMPANY?

If the business sells outright, you can sell all your share options. If someone invests in Aventum by buying part of it, for example buying 70% of the business, you get to sell 70% of your share options.

WHAT IF I RECEIVE A PAY RISE?

As your pay goes up, so will the value of your additional share options.

DOES THIS REPLACE SALARY OR BONUS?

No – it's additional.

WILL THIS AFFECT MONTHLY PAY OR TAX CODE?

No. Any profits are taxed through Capital Gains not your personal allowance.

CAN I TRANSFER MY OPTIONS?

No. You have contributed to the success of the company, you should reap the rewards.

IS EVERYONE ELIGIBLE?

Eligible employees who pass probation can join at the annual valuation.

AT AVENTUM, GROWTH ISN'T BUILT BY A FEW - IT'S CREATED BY ALL OF US.
